

NATIONAL ELECTRICITY CONSUMERS ADVOCACY PANEL

Summary of funding decisions made at the Panel's meeting on 30 May 2007

1. Application 262 Major Energy Users Inc - Revenue determination for ElectraNet 2008/2013 Group
Resolved that the application for funding of \$38,288 excl GST be approved subject to the condition that the applicant seek the EUAA's views on its submissions to the application, the consultant's report, and the draft decision and take those views into account in its submission.
2. Application 255: Energy Users Association of Australia - Revenue determination for ElectraNet 2008/2013 Group
Resolved that the EUAA application is rejected on the grounds that in the absence of an applicant indicating it had a different view to express in its proposed advocacy, the Panel will not fund more than one project on the same issue by representatives of the same class of end-user.
3. Application 239: Major Energy Users Inc - Revenue determination for SPAUsnet 2008/2013
Resolved that the MEU application for funding of \$39,840 excl GST be approved subject to the condition the applicant seek the EUAA's views on its submissions to the application, the consultant's report, and the draft decision and take those views into account in its submission.
4. Application 242: Energy Users Association of Australia - Revenue determination for SPAUsnet 2008/2013
Resolved that the EUAA application is rejected on the grounds that in the absence of an applicant indicating it had a different view to express in its proposed advocacy, the Panel will not fund more than one project on the same issue by representatives of the same class of end-user.
5. Application 243: Energy Users Association of Australia - WACC Parameters Rule change
Resolved that the application be approved for the first stage of the project – to undertake the economic analysis and determine if a Rule change application is viable – with funding of \$34,000 excl GST.
6. Application 259: Consumer Utilities Advocacy Centre - Airfares for National Consumer Roundtable to meet with the Retail Policy Working Group on composite paper
Resolved that funding of \$6,320 excluding GST be provided.
7. Application 260: Energy Users Association of Australia - Additional funding for project 116
Resolved that funding of \$9,711.90 excl GST be provided upon submission of the consultant's invoice.
8. Application 261: Energy Users Association of Australia - Investigation of high prices in the NEM - causes, consequences and responses
Resolved that funding of \$34,960 excl GST be provided.
