

NATIONAL ELECTRICITY CONSUMERS ADVOCACY PANEL

Summary of funding decisions made by the Panel during November 2007

- 1.1. Application 286: Consumer Utilities Advocacy Centre - Distributed generation: testing the impact of recommended regulation and Rule change

The application was approved for funding of \$24,773 excl GST and the applicant was advised that the Panel would prefer the project to be undertaken on a fulltime basis in order that the final report is available earlier.
